

Product Datasheet

Goat Anti-Rabbit IgG (H+L) HRP

Catalog No: AB0101

Reactivity: Rabbit

Isotype: Goat IgG

Applications: WB IHC

www.biopple.cn

Information

UniProt ID: N/A

All Names: N/A

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 50% glycerol.

Purity: Affinity purified Goat Anti-Rabbit IgG (H+L) conjugated to Horse Radish Peroxidase (HRP)

Immunogen: A synthesized peptide

Molecular Wt.: N/A

Application

WB: 1:5000~1:50000

IHC: 1:500~2000

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
